

## Chris Pachel - "Learning a New Language" – podcast outline

1:38 - Ryan introduces Chris.

3:30 - Chris discusses where he first learned about positive reinforcement training and some stories from that time including one of the first animals he trained.

7:30 – Chris discusses his thoughts on why more information about animal behavior is not widely shared in veterinary school.

14:47 – Chris discusses potential for collaboration between veterinarians, veterinary behaviorists, trainers, applied behavior analysts, etc.

16:09 – Chris discusses experiences with his late Great Dane Phoebe and what he learned from her.

19:12 – Chris discusses how people can find out more about him and about what he is doing. [Animalbehaviorclinic.net](http://Animalbehaviorclinic.net) or the Animal Behavior Clinic Facebook at [www.facebook.com/AnimalBehaviorClinic/](http://www.facebook.com/AnimalBehaviorClinic/) page are the best places to find out more about what he's up to.

21:20 – Chris discusses what it means to look at behavior more through a medical model.

30:20 – Chris discusses limitations of using labels while also recognizing that labels can sometimes be helpful.

34:07 – Chris discusses when it is most appropriate to trade the ABA hat for the medical hat vs when it is appropriate to engage that collaboration with someone who has the other hat on.

38:42 – Chris discusses the importance of community and the importance of working as a community to better the lives of the animals we live with.

42:20 - Chris discusses what kind of information behaviorists have that might be useful to veterinarians and consideration for the best way to share that information.

47:09 – Chris discusses respective, effective ways to communicate with clients.

1:00 - Chris shares some stories from his experiences.

1:07 - Chris shares what he would like to see happen in the next five to ten years in the animal training world and in the medical model level of analysis and incorporating behavior change strategies.

1:10 – Find out more about Chris and what he's working on at [Animalbehaviorclinic.net](http://Animalbehaviorclinic.net) or the Animal Behavior Clinic Facebook at [www.facebook.com/AnimalBehaviorClinic/](http://www.facebook.com/AnimalBehaviorClinic/) page.

1:10 – Ryan tells people where they can learn more about the Animal Training Academy and membership. [www.animaltrainingacademy.com](http://www.animaltrainingacademy.com)
